NEVILL INFANT NEWS

Dear all,

What a great week!! Mrs Stoddart started us off talking all about our senses in assembly and how we use them – we discussed later in the week which one we would choose to lose if we had to ... the children chose smell (not sure why!)

It has been great to see the hall displays go up and the topics for each year group really start this week with some great things going on ... I cannot wait to see all the wonderful learning that will take place.

We have already been busy learning Harvest songs thanks to Mrs Easdown and Miss Taylor getting ready for the performances at the end of this half term, I feel certain you have already started to hear them at home too!

I have had the pleasure of meeting with the Nevill Road friends this week to look at some of the exciting events that are coming up this term. They will be issuing a newsletter with all of the dates very soon.

I hope you have all managed to gain access to Tapestry and have been able to see some of the posts shared by teachers, again if there are any issues please let us know.

Have a wonderful weekend.

Mr Whitfield

PTA Macmillan coffee morning

Our Nevill Road Friends will be hosting a Macmillan coffee morning in the Junior Hall on Friday 29th September – please come along and support such a worthy cause. Please see attached flyer.

Flu forms

If you have not already done so, please ensure you return the flu vaccination form for your child as soon as possible.

If you require a replacement form please contact the school office.

Improvements to the school grounds

For some time, we have been looking to further improve our school grounds. We have been let down multiple times and need to get this going again.

We are looking to lay a more permanent pathway in the environmental garden & put up a wooden fence along the back of the field to join up with the allotment area.

If you know of a local company or are involved / employed within this field for work yourself we would love to hear from you. Please drop us an email or speak to us so we can move this forward.

Thankyou.

Play equipment

A reminder to not allow children to play on the outdoor equipment on any part of the school site.

Many children in the infants and juniors are unsupervised, especially at the end of the day, and we do not want any accidents to occur especially as first aid may not be available at that time.

Names in clothing etc.

A simple reminder and an easy job to do ... please remember to write your child's name on their belongings. You can use a permanent marker on the neck label, side label or write it on the cuff / waist band so it is easy to spot. Lots of money is being wasted through lost jumpers and new coats especially.

These are the parent council representatives for each class. As you can see we are still seeking someone from Little Brown Bear & Sea Otters classes, if you are interested please speak with Mrs Stoddart.
