# NEVILL INFANT NEWS

Dear all

What a whirlwind of a week!

With so many cough and colds it has certainly been a challenge but we have soldiered on. The performances from Reception to Year 2 were a great success and I hope you thoroughly enjoyed them. An awful lot of hard work goes in to organising all of the children to perform at such a standard and they had a great time. Thank you, teachers, teaching assistants and children.

I have been busy collating all of our dates for the Spring term and getting organised for the new year; we will post the Spring dates to you as soon as they are finalised.

Next week, we say a fond farewell to Miss Pickles as she moves to New Zealand to teach; an amazing journey and experience and we wish her lots of luck in everything she does. Miss Lea is also leaving to have her baby (see below) and after Christmas we will be welcoming Miss Ahmed back alongside Miss Taylor to teach in Lions class – I think they are pretty excited.

With four school days left it is going to be a very busy end to a wonderful first term where so much has happened ... let's hope we have a less busy Spring term!

On Monday 18<sup>th</sup>, you will receive your child's report of effort and progress in all subjects as well as the attendance record. If you have any questions or queries please do not hesitate to contact us.

Have a wonderful weekend!

*Mr Whitfield*

### **Miss Lea**

Unfortunately, Miss Lea continues to be poorly and has now been signed off for the remainder of this term. She is very sad and upset she won't be able to say good bye to the children and parents and wishes everyone a very Merry Christmas and a Happy New Year. We feel certain she will make a visit to school in 2024 with a special 'gift' of her own!!

### **Save the Date ...**

On February 8<sup>th</sup> 2024, we are hoping to have Anna from Primary Jigsaw & Caroline from the inclusion team to put on a parent workshop

### **Christmas Presents**

At this time of year, many parents and carers very generously like to purchase gifts for staff members. We are always very grateful and appreciative of this however, I would like to be very clear that this is not an expectation and I would rather parents and carers use their money to go towards making even better family memories at Christmas.

### **Christmas parties**

By the time you read this, you should have received your child's decorated bag for the children to have some treats from home for their Christmas Party – please remember no nuts / nut products and keep in mind children will also have had their lunch. Party day is 20<sup>th</sup> Dec in the afternoon and Miss Ahmed will hopefully be joining Lions class too!!

It was a great pleasure to welcome Joseph Coelho to our school to share his Luna stories. He captured all of our attention and thoroughly entertained us. We left feeling inspired and sooo happy! We felt very lucky as he was jetting off to meet Princess Kate later on that same day!
