NEVILL INFANT NEWS

Dear all,

Another fantastic week under our belts! It has really been great talking to the children about their 'voice'.

We like to have a pupil survey every year to see how the children think we are doing – results will be shared soon. I also talked to the children about our yellow posters all over school reminding them that no-one has the right to treat a child badly and if anything makes them feel sad, scared, lonely or worried they must **Tell A Trusted Adult.**

We have had the lovely ladies from Yellow Brick Road in for a Florence Nightingale workshop – the children had an amazing time and learned lots of new things. These experiences are vital for bringing learning to life and making it more memorable – thank you for supporting this.

Miss Ivy has been looking at PE this week too. She has been watching some lessons and talking to the children to find out ways we can make PE at NRIS much better.

Feedback from parents was to have a parent's evening each term so please make sure you have signed up for a parent meeting with your child's class teacher – these will happen next week.

Look after yourselves and have a great weekend.

A massive THANK YOU!!!

Thank you to David Little for donating some excellent crates for our children to use in our outdoor learning area – they are going to become amazing dens, castles, tower blocks, rocket ships and anything else our imaginations can stretch too! We cannot wait!

Koala Bears

We had a great Monday morning interviewing and have been successful in recruiting a new teacher to come and join the Nevill Road family.

As soon as all the paperwork comes back I will be able to confirm more details for you and will make sure they are available to come and spend more time with the children and be around to have a chat with parents before becoming a Koala for the rest of the year.

Miss Lea

We are finally able to share that Miss Lea gave birth to a wonderful baby boy, all are happy and healthy. The little one has been named Zephaniah (Zeph) and will be making a very short visit in to school very soon.

Children's Mental Health Week 2024

This will be taking place between Monday 5th to Friday 9th February and is supported by our colleagues in Stockport from Beacon Counselling. The theme this year is 'My voice matters', something very important to us at Nevill Road Infant School.

On Thursday 8th Feb we will be having a cake sale in support of Beacon Counselling. If you would like to donate a cake for the sale we would be very grateful!

Beacon Counselling is a mental health charity (1109545) dedicated to improving the mental health and emotional resilience of our community. They believe everyone should have an equal chance of good emotional well-being; this is at the core of everything they do.

They support over 2,000 adults, young people and children each year to improve their mental health and emotional wellbeing and deliver a range of therapy, wellbeing services, group support and targeted projects that empower people with the tools and skills they need to recover and thrive now and in the future.
