NEVILL INFANT NEWS

Dear all,

What a whirlwind of a half term, it never ceases to amaze me that even though it is shorter we manage to 'cram' the same activities in!

It has been lovely really thinking about inclusion this week and what it means to be a part of something. I started the week off helping the children to understand that at school they do not get the same as their friends they actually get what they need and this can be different. We have also been working hard on our mental health activities as well as safer internet day.

It has been great to see so many of our parents and carers attending for the Spring parent meetings; I hope you have found them useful and informative.

Greater Manchester Fire & Rescue made a visit to our Elephants this week too, as we teach our children how to be safe and look after themselves (see below).

Many thanks to all for supporting the cake sale in aid of Beacon Counselling and a special thanks to those that managed to make or donate something. We managed to raise £63!

Look after yourselves and have a great weekend.

Mr Whitfield

Koala Bears Class

We are really pleased to welcome Miss Whyatt to our Nevill Road family and I know you will all join me in making sure she settles in well and feels part of our team here.

She has been in to spend time with the children and the adults so she is able to hit the ground running. Do look out for her and say 'Hi!'

St Vincent's

At 9.30 Mass on Sunday 11th February, the children will receive their Family Lent Challenge, doing a positive task each day. Come along and collect yours!!

Happy Birthday to our lovely Mrs Barker

Mrs Barker is an amazing member of staff who has stepped up to help any all of our children who have any kind of need and does so with great skill and determination. A milestone birthday and a much-deserved weekend of celebrations for our special lady!

NEVILL INFANT NEWS

A huge thank you to Greater Manchester Fire and Rescue for coming to visit Elephants this week. They taught us about the jobs they go to, the protective clothing they wear and that we need to call 999 in an emergency. We got to see the fire engine and have a turn using the water hose! For more information on fire safety, visit manchesterfire.gov.uk , follow @manchesterfire or call 0800 555 815.
