

Story Time in Key Stage One

At Nevill Road Infants we use the highly recommended *5 Plagues of Reading* spine to guide which books we read to the children during our 'reading for pleasure' story time. These books excite and challenge our children whilst exposing them to diverse text types and authors.

We also use our Story time to reinforce important events in our school calendar such as, Black History Month, International Peace Day, World Animal Day etc. We encourage children to pursue their interests and hobbies by also offering the opportunities to vote for the book they wish for the teacher to read.
